ENGLISH

READING - level 10 - Earthquake Survival

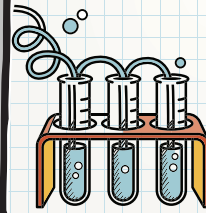

Read the piece and do all the exercises that follow. If you need to work over more than one session, click Escapoe and close the Reader. When you are ready to start working again, enter 1.1.4, open the same story and pick up where you left off using the exercises listed at the right hand side of the screen for help.

Increasing reading speed and reading with good comprehension will help you in all your subjects.

Please return last month's creative writing assignment

SCIENCE

Vectors and Scalars:
2.1.1.1 and 2.1.1.2

Search : Maths

Investigate number patterns where there is a constant difference between consecutive terms.

Revise the solution of linear equations.
