ENGLISH

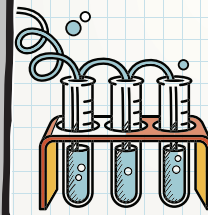

READING - level 12 - The Suez Canal

Read the piece and do ALL the exercises that follow. If you need to work over more than one session with this, click Escape and close the Reader. When you start working on this piece again, enter 1.1.4 (Individual Exercises), open this story and pick up where you left off, using the list of exercises on the right hand side of the screen for help.

Increasing your reading speed and reading with good comprehension will help you with matric preparation for all your subjects.

If you aren't sure how to do all the exercises, give me a call.
