READING -

Read any piece, that you haven't already read, from levels 10 to 12. Do all the exercises that follow, making sure that you read the piece all the way through for every one of the speed reading exercises, increasing the reading speed each time. Also make sure that you do the second comprehension exercise.

Then have some fun with WORD POWER - 5.4.8.4.

Do the quiz, then click on 'New' in the small pop-up screen and do the next quiz as well.

Science / Wetenskap

Mathematics / Wiskunde

Repeat the exercises, aiming for a score of 80%.
Remember - repetition makes the difference!
