ENGLISH

Now that your matric exams are finally here, the best that you can do for English is:

- * make sure that you are familiar with all the figures of speech: 2.4.1; 2.4.2; 2.4.3; 2.4.4; 2.4.5; 2.4.6;
- * brush up on your knowledge of your prescribed works;
- * do some extra reading and comprehension: read and do all the exercises for any piece that you have not already read from levels 10 - 12.

GOOD LUCK FOR THE EXAMS!

Science / Wetenskap

Mathematics / Wiskunde

REVISION: Click on * ASSESSMENT
